

# Annual Report

*Changing Lives, Changing the World*

January 2010

## Changing Lives In Health, Mental Health and Developmental Disabilities

**Alpha-1 Foundation** (Miami, FL) is a not-for-profit Florida corporation dedicated to providing the leadership and resources that will result in increased research, improved health, worldwide detection, and a cure for Alpha-1 Antitrypsin Deficiency. The Foundation has invested more than \$35 million to support Alpha-1 research and research-related projects, which includes funding grant awards to nearly 70 academic institutions in North America and Europe.

**The Greater Rochester Health Foundation** (Rochester, NY) is an independent foundation focused on improving the health status of all residents of the greater Rochester community, including people whose unique healthcare needs have not been met because of race, ethnicity or income. The foundation provides programs and funding in the area of prevention, health systems improvement and improvement of neighborhood health status.
